EXPERIENCE

Cybersecurity analyst

ICT authority of kenya

September 2024 - PRESENT

As a cybersecurity analyst, I identified and mitigated security vulnerabilities, conducted regular risk assessments, implemented robust security protocols, and monitored network activity to ensure the protection of critical digital assets from potential cyber threats.

Cybersecurity lead

Umma University

September 2023 - September 2024

As the cybersecurity lead at Umma University, I spearheaded the university's cybersecurity team, guiding and mentoring students in advanced threat analysis and defense strategies, while leading the team to multiple Capture the Flag (CTF) victories at national competitions.
